*Note: You are requested to be present at the event right from the introductory session as there might be some changes in the event schedule and so the presentation timings may vary. In that scenario, your presentation slot may get preponed or postponed by a fair deal of time (in rare cases) to ensure a smooth running passage of the program without any delay. So, we request you to please be prepared to present your work whenever your turn comes up.

Your understanding in this regard is very much appreciated.

Speaker slots are available. To book your slot, please mail us at neuropsychiatry@scientexconferences.org or Whatsapp at (+1) 5159939155
